Education:

Cleveland State University
Bachelor of Arts, Linguistics

Case Western Reserve University
Certificate, Full Stack Web Development

Experience:

Front End Web Developer / Student

10/2017 - Present

- Weekly Projects, building skillset every week, ability to complete the projects under pressure
- Design focused, but with a proven ability to learn new technologies efficiently and effectively.
- Dedicated, self taught and researched: inquisitive, self starter who takes initiative who looks to see how functions and problems work to understand and fix them.
- HTML, CSS, SASS, Bootstrap, Spectre, Materialize, JavaScript, jQuery, AJAX, SQL, MongoDB, React, and other technologies, libraries, and tools.

Prosperity Social Club / Bar Manager

10/2011 – Present

- Provide high end, quality service to patrons while under pressure in a high volume setting.
- Demonstrate ability to multitask and prioritize, work as a productive team member, and manage staff.
- Additional responsibilities as needed: tech support, promotional work, website development and social media.

Room Service Boutique & Design / Sales and Customer Service

6/2010 – 1/2018

- Customer Service and sales: growing client base through team collaboration, creative social media and local outreach.
- Develop methods to monitor sales traffic and seek out new ways to grow business.
- Event design and execution
- Attention to detail and ability to work under pressure to complete projects by deadlines.

Dick Russell Liquidations / Sales and Research

4/2013 – 10/2016

- Organize and run estate and liquidation sales, for both private and commercial clients.
- Research antiques and collectables to determine worth and set prices; negotiate prices to guarantee client satisfaction.
- Helped execute sales with professional and friendly attitude.

Webster's New World Dictionary / Research Intern

8/2010 – 2/2011

- Worked with a team of Junior and Senior Editors to prepare and proofread the 5th ed. of Webster's New World Dictionary.
- Independently executed assigned research and editing projects.
- Formally presented research findings to the Senior Editor.
- Responsible for organization and inventory of in-house library of dictionaries.
- Enthusiastically approached projects to acquire as much knowledge and experience as possible.
